No Financial or Investment Advice

The information, content, and tools provided by Munar are for informational and educational purposes only and do not constitute financial, investment, or trading advice. Nothing on this platform should be construed as a recommendation to buy, sell, or hold any token, asset, or participate in any protocol. Always conduct your own research and consult with a licensed financial advisor before making any investment decisions.

AI-Generated Content

Munar uses AI models to generate responses based on publicly available data. These responses are not verified for accuracy, may reference unaudited or third-party services, and are provided "as is". Munar makes no representations or warranties regarding the reliability, completeness, or accuracy of AI-generated content. Users must independently verify all information before acting on it.

Non-Custodial Interface

Munar operates solely as a non-custodial interface. We do not hold user funds, store private keys, or execute transactions on behalf of users. All onchain actions are initiated directly by the user and transmitted to the relevant blockchain protocol. Munar does not act as a financial intermediary, broker, or custodian.

Third-Party Protocols and dApps

Munar may index or provide access to third-party protocols, smart contracts, or decentralized applications (dApps). We do not audit or guarantee the safety, functionality, or reliability of any such third-party services. Users interact with these protocols at their own risk. Munar shall not be liable for any loss of funds, data, or opportunity arising from such interactions.

No Guarantees of Outcome or Profit

Use of Munar does not guarantee any specific outcome, return, profit, or benefit. All transactions and actions are performed voluntarily and at the user's discretion. Web3 is an experimental and volatile space, and users should proceed with caution.

Jurisdictional Use

Munar is not intended for use in any jurisdiction where such use would be contrary to local laws or regulations. It is the user's responsibility to ensure that their use of Munar is lawful in their jurisdiction.

No Warranties – "As Is"

All services, data, and content provided by Munar are offered “as is” and “as available” without warranties of any kind, whether express or implied. We disclaim all warranties, including but not limited to, merchantability, fitness for a particular purpose, and non-infringement.

Use at Your Own Risk

By using Munar, you acknowledge and agree that you do so voluntarily and entirely at your own risk. Munar and its contributors shall not be held liable for any direct, indirect, incidental, consequential, or other damages related to your use of the platform.
